Pretending to be serious: reflections on drama, democracy and education

6:00 Paola Marrati (Johns Hopkins)

The Grievances of Others

6:45 Conclusions

The Japanese-French program POLITICAL EDUCATION FOR HUMAN TRANSFORMATION (2019-2021), supported by the JSPS and CNRS, aims at an interdisciplinary research on moral and political education, and at a collective inquiry into democracy as a form of life. This workshop will explore the question whether there can be education for democracy, what are its new stakes and methods.
